Re: Glenwood Energy of Oxford, Inc.
Case No. 10-899-GA-UEx

Dear Ms. Jenkins:

On June 25, 2010, Glenwood Energy of Oxford, Inc. filed an application requesting approval to revise its Uncollectible Expense Rider rate.

I am writing to indicate that Glenwood Energy of Oxford recognizes that it inadvertently began to bill customers for the new revised rate which is intended to collect a rather large under-recovered amount from the past. The early billing occurred because of an internal miscommunication, and we regret the confusion it may have caused. We are working with Staff to properly account for the error, and to make sure it does not occur in the future.

Thank you in advance for your cooperation.

Sincerely yours,

Stephen M. Howard
