**Re: Dominion East Ohio Gas
Case No. 09-1960-GA-BLN**

Dear Ms. Jenkins:

In compliance with the Staff Investigation Report and Recommendation ("Staff Report") No. 4, Dominion East Ohio Gas ("DEO") has scheduled a pre-construction meeting with the Ohio Power Siting Board ("OPSB") Staff for October 8, 2010. In further compliance with the Staff Report (Condition No. 5), attached is a copy of the vegetation clearing plan, including all laydown areas and access.

This letter also confirms that DEO conducted a survey and has determined that no Indiana bat roost trees are present within the survey area as required by Condition No. 6.

If you have any questions, please call me at the number listed above.

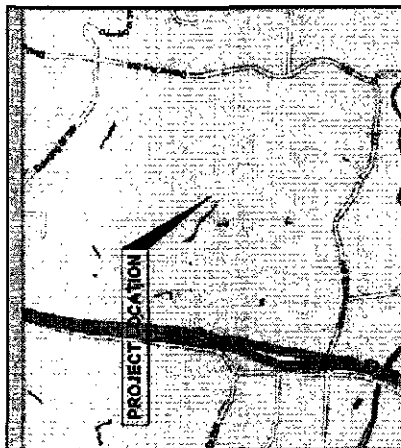

Sincerely,

Sally W. Bloomfield
