

Case No. 10- 1212-EL-REN

Steven Starner

Staff Interrogatories – Initial Set

Question 1: In Section A of the application, the facility location, latitude, and longitude are listed as:

Facility Location

Street Address: 6112 Irish Hill Rd

City: Friendsville State: PA Zip Code: 18818

Facility Latitude and Longitude

Latitude: 41.9170195 Longitude: -76.0454793

We could not find the address above with mapping tools like Mapquest and Google Earth. The latitude and longitude seem to be the coordinates of the center of the city of Friendsville, PA, not the facility location. Please submit the correct street address or explain how someone would drive to the facility. Also, please submit the correct latitude and longitude that the facility is located at.

Answer 1: <insert answer here>

Gary, the 6112 Irish hill rd address is a recent, less than 1 yr old, new emergency 911 address. i validated it with the postal service. Irish hill rd is also known as st rt 4015 . The coordinates are N 41.89205 W 076.04617. This will put you in the driveway of the system location.
