MOTION FOR CONTINUANCE OF ADMINISTRATIVE HEARING

Now come the Transportation Staff of the Public Utilities Commission of Ohio (Staff), by and through undersigned counsel, moving for a continuance of the Administrative Hearing in the above captioned case from September 21, 2010 to another date agreed upon by the parties. The reason Staff makes this request for a continuance is because of the unavailability of the Investigating officer due to a medical disability.

A memorandum in support, providing good cause for this motion, is provided below.

Respectfully submitted,

MEMORANDUM

The Staff of the Public Utilities Commission of Ohio (Staff) respectfully request a continuance of the Administrative Hearing that is scheduled for September 21, 2010, in this case. The reason for Staff's motion for continuance is because the Investigating Officer for Staff was recently involved in an automobile accident and sustained a serious concussion. As a result, the Investigating Officer is on medical disability for the next few weeks from his employment at the Ohio State Highway Patrol. Due to the Investigating Officer's injury and medical disability, the Staff's primary witness will be unable to appear and testify for Staff at the hearing that is scheduled for September 21, 2010 in this case. Accordingly, Staff requests a continuance of the hearing date to a new hearing date agreed upon by the parties. Counsel for Staff has left a voice message with Mr. Pruzhanskiy, Respondent, informing him of this development and that counsel for Staff would be moving for a continuance of the hearing date.

For the foregoing reasons, Staff respectfully requests that the Attorney-Examiner grant the Staff's motion for a continuance of the hearing date and that a new hearing date can be agreed upon by the parties.

Respectfully submitted,

John H. Jones
