COMMENT DESCRIPTION:

Please vote down the rate increase for duke energy related to the Ike windstorm. All of the homeowners around this area should not have to pay for wind damage to duke's assets. We also had damage during those storms, who picked up the bill for me? No one! I paid for the damage myself. I'm not, nor do I want to be duke energy's insurance company. They don't pay me premiums to insure their assets. So I shouldn't have to do so. Thank you for your time and consideration.
