Dear Administrator:

The Columbus & Ohio River Rail Road Company requests a 60 day extension for the above referenced project for the following reasons.

- 1) ORDC approval for requested changes was not received until June 14, 2010, and coordination efforts between our railroad and our contractor, Rail Signal Systems, was hindered.
- 2) Our efforts to give an increased priority to the Waterworks Road, Newark project (case number 10-831-RR-RCP) have stretched our available resources.

Sincerely,

Daniel Birrell
 Signal Supervisor
