

SALES RECONCILIATION RIDER – A

APPLICABILITY

The Sales Reconciliation Rider – A (SRR-A) shall be applicable to all Customers served under the following Rate Schedules:

Rate 310 – Residential Default Sales Service; Rate 311 – Residential SCO Service; and Rate 315 – Residential Transportation Service
Rate 320 – General Default Sales Service; Rate 321 – General SCO Service; and Rate 325 – General Transportation Service

This Rider shall cease after recovery of all amounts authorized for recovery in Case No. 05-1444-GA-UNC, 07-1080-GA-AIR, and 08-632-GA-AAM.

DESCRIPTION

The SRR-A shall recover the differences between Actual Base Revenues and Adjusted Order Granted Base Revenues for the applicable Rate Schedules for the period of time as authorized by the Commission.

Actual Base Revenues are defined as weather-normalized monthly base revenues for such Rate Schedules, prior to the SRR-A adjustment.

Adjusted Order-Granted Base Revenues are defined as the monthly base revenues for the applicable Rate Schedules as approved by the Commission's Order in Company's last base rate case, as adjusted to reflect the change in number of customers from the levels approved by the Commission. To reflect the change in number of customers, Order-granted base revenue per customer is multiplied by the net change in number of customers since the like month during the test year, with the product being added to the Order-granted base revenues for such month.

Company shall defer the calculated differences between Actual Base Revenues and Adjusted Order Granted Base Revenues for the applicable Rate Schedules for subsequent return or recovery via the SRR-A. Company shall reflect in a revised SRR-A effective November 1st of each year the accumulated monthly differences between Actual Base Revenues and Adjusted Order Granted Base Revenues.

The accumulated monthly differences for each Rate Schedule shall be divided by projected sales volumes to determine the applicable SRR-A. Projected and actual recoveries by Rate Schedule under the SRR-A are reconciled, with any under or over recovery being recovered or returned via the SRR-A over the next twelve months.

SALES RECONCILIATION RIDER –A RATE

The applicable Sales Reconciliation Rider-A Rate below shall be applied to each Ccf of metered gas usage each month.

Rates in \$/Ccf

<u>Rate Schedules</u>	<u>SRR-A</u>
