

Case No. 10- 1192-EL-REN
Lockner-Chris-5.76 kW Facility
Staff Interrogatories – Initial Set

Question 1: In Section N of the application, please identify the model type of the utility grade meter being used at this facility.

Answer 1: The meter model is CL 20

Question 2: In Section N of the application, the serial number you reported (61644075) does not match the serial number on the meter in the photo you submitted. Please explain why these numbers are not the same.

Answer 2: The correct serial number is 75978123. The installer of the system had inadvertently reported the incorrect serial number to Sol Systems when registering the customer.

This foregoing document was electronically filed with the Public Utilities
