Re: Norfolk Southern's Sandusky Line, regarding the modification of automatic grade crossing warning devices at Reedtown Road in Seneca County, Ohio, DOT: 481-602P, Milepost S-087.94, order 10-1003-RR-FED.

Susan Kirkland, Supervisor
Ohio Rail Development Commission
50 West Broad Street, Room 1520
Columbus, Ohio 43215

Dear Ms. Kirkland:

Attached for your review and approval are electronic copies of the detailed cost estimate, material list and engineering plans for this crossing.

Although we cannot give you an exact date of installation at this time we can provide our average installation time, which is 9.1 months after authorization from the state. After this project is authorized, we will order material and schedule for installation once we have received approvals from ODOT's District Office.

A copy of the estimate, material list and project plans have been filed on Ohio's Public Utilities Commission Docketing Information System.

If you have any questions or concerns, please contact Mike Rappatta at 404-582-6377 or mike.rappatta@nscorp.com.
