MOTION FOR A CONTINUANCE

I. Motion

Pursuant to Ohio Administrative Code 4901-1-13, the Suburban Natural Gas Company ("Suburban") requests a continuance of the hearing scheduled in the above captioned proceeding on November 9, 2010. The reasons for this Motion are more fully set forth in the Memorandum in Support.

II. Memorandum in Support

There are no outstanding issues between the Commission Staff ("Staff") and Suburban regarding Suburban's IRP Application. A continuance of the hearing will allow the Commission additional time to review the Application and Staff's Comments and Recommendations and potentially avoid the time and expense of a hearing if the Commission finds there are no issues regarding the Application. Counsel for Staff has authorized the undersigned to state that the Staff does not object to a continuance and no other parties have intervened in this proceeding. Accordingly, Suburban requests that a continuance be granted.

Respectfully submitted,

  
John W. Bertine, Esq. (0016388)
