Notes:

Respectfully do not grant Firstenergy their most recent \$390 million increase in distribution charges. I also understand they have requested a PUCO "Fast Track" approval by May 5th 2010. If you allow this to go through you will bankrupt my household. Firstenergy has serviced my area very unsatisfactorily especially in

brown outs, power surges, budget calculation inconsistencies and an over abundance of estimate meter reading which have been very inconsistent.

Thank you Mr. and Mrs. Nicholas J. Colby
