Re: PUCO Case No. 10-2354-RR-RCP

To Whom It May Concern:

The City of Cuyahoga Falls has been asked to provide comments on the request of the Cuyahoga Falls City Schools, under Case No. 10-2354-RR-RCP, to allow an exempt crossing status under Revised Code §4511.63, for the following railroad grade crossings:

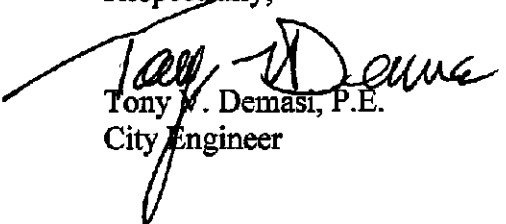

Hudson Drive, Cuyahoga Falls, DOT #503580J
Front St./S.R. 59, Cuyahoga Falls, DOT #503581R

These crossings are owned and maintained by the Metro Regional Transit Authority (MRTA), and have been inactive since 2002.

Provided none of the existing pavement markings or signage needs removed, and any additional signage will be done by others, the City of Cuyahoga Falls does not object to this request. If the inactive status of these crossings changes, please contact us for additional comments.

If you have any questions or require additional information, please do not hesitate to call me.

Respectfully,

Tony V. Demasi, P.E.
City Engineer
