Dear Ms. Jenkins:

On November 12, 2010, Columbus Southern Power Company and Ohio Power Company (collectively referred to as "AEP Ohio") filed a Stipulation and Recommendation that was reached with Globe Metallurgical, Inc. and Solsil, Inc. The Stipulation and Recommendation erroneously retained the heading that was used during the drafting stage of the document: "CONFIDENTIAL DRAFT – FOR SETTLEMENT PURPOSES ONLY." In order to clarify the record and avoid any confusion over this label, I would like to indicate that the Stipulation and Recommendation was intended for public filing and need not be treated as confidential.

Thank you for your attention to this matter.

Respectfully Submitted,
