The Public Utilities Commission of Ohio

I am a member of the Ohio Turfgrass Foundation and Ohio Lawn Care Association. I am against the law change regarding the new requirements for vehicles over 10,001 lbs.

I have just learned of this change and there is not adequate time to prepare before enforcement beginning on January 1, 2011. While I value safety, these rules are excessive. They are detrimental to our ability to run and grow my business, especially in these difficult economic times.
