Generating Facility.)

ENTRY

The attorney examiner finds:

- (1) On October 8, 2010, Dave Hurst filed an application for certification as an eligible Ohio renewable energy resource generating facility.
- (2) Pursuant to Rule 4901:1-40-04(F)(2), Ohio Administrative Code, this application is subject to a 60-day automatic approval process. The rule also provides that the Commission may suspend an application during the 60-day approval process.
- (3) The attorney examiner finds that additional information and investigation is necessary to thoroughly review this application. Therefore, good cause exists to suspend the 60-day automatic approval process for Dave Hurst's application for certification, in order for the Commission and its staff to further review this matter.
