Ohio Public Utilities Commission

Case# OH3255007322D

Officer WW

Dear Mr. Marvin and/or Commissioners of the Ohio Public Utilities,

I am writing to file a request for administrative hearing. Please take into consideration that I have just attended the funeral of my brother and mother in law respectively within the past week and am just now able to respond. Please accept my request, even if it is just within the deadline of forfeiture.

I was under the impression that I would be receiving word for a personal conference. I spoke with Wanda and she told me I would receive a conference date. She needed time to get the officer's schedule before a date could be scheduled.

I received this notice instead. Please note this is not what I had expected and would like a hearing with the Commission's Docketing Division.

Thank you.

Sincerely,

Steven McCargar
