**Re: Heartland Wind Energy LLC,
Case No. 09-1066-EL-BGN
Certificate Condition No. 61(a)**

Dear Ms. Jenkins:

Pursuant to Heartland Wind Energy LLC's ("Heartland") Certificate Condition No. 61(a) Heartland was to provide the Ohio Power Siting Board Staff notice of the date construction was to begin. Prior to the start of construction, Applicant's project manager provided verbal notice to Staff. This letter formally provides for the record that Heartland notified Staff that construction began on September 21, 2010.

With this filing Heartland submits that Condition No. 61(a) of the Opinion, Order and Certificate has been met.

If you have any questions, please call me at the number listed above.

Sincerely,

Sally W. Bloomfield
