MEMORANDUM IN SUPPORT OF MOTION

In support of this Motion to Intervene The Natural Resources Defense Council ("NRDC") states that it is a non-profit environmental organization with over 30 years experience working on state energy policy, including utility regulation and energy efficiency. NRDC has a strong historical interest in ensuring that Ohio adopts environmentally sound and sustainable energy policies.

NRDC and its 12,600 members who live in Ohio are interested in promoting greater reliance on energy efficiency and renewable energy to meet Ohio's energy needs.

NRDC will bring significant expertise to bear in these proceedings. The Staff of NRDC have extensive history with the design and implementation of utilities programs and policies designed to deploy energy efficiency and renewable energy technologies to benefit the public.

NRDC has intervened and/or provided testimony on these issues in similar proceedings in a number of states including Illinois, Wisconsin, New York, Oregon, California, New Jersey, and Iowa, to name a few. NRDC has also been granted intervention in numerous cases before the Public Utilities Commission of Ohio.

NRDC has regularly presented testimony before the U. S. Congress and various state legislatures related to the utility industry use of energy efficiency and renewable energy resources, utility rate design, utility planning and other topics relevant to this proceeding.

Many of the Ohio NRDC members are served by the utility companies that are the subject, and parties in this case.

The NRDC has a real and substantial interest in these proceedings as they may directly or indirectly impact the environment, the economy of the State of Ohio, and other areas of the United States, and the utility bills of its members.

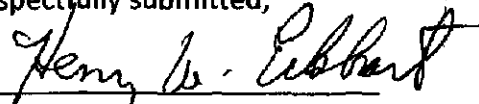

Intervention of NRDC will not unduly prolong or delay the proceeding.

Intervention of NRDC will significantly contribute to the full development of the record.

NRDC's particular interest in this proceeding is in regard to the adoption of all cost effective energy efficiency, and also that the targets in O.R.C. 4928.66 are met.

WHEREFORE, The Natural Resources Defense Council respectfully requests that its Motion to Intervene be granted in full as aforesaid.

Respectfully submitted,
