

Case No. 11- 0117-EL-REN

BOB MCCLLENATHAN

Staff Interrogatories – Initial Set

Question 1: In section N of your application you have defined two separate utility grade meters being used to record generation from this facility. In section G.2 of the application you report using one utility meter is being used to record generation. Please clarify what the metering set-up is for this facility.

Answer 1: Section G.2 should be modified to read that the sum of 2 meters will be used to track and enter production.
