NOTICE OF FILING

On February 11, 2011, an Entry was issued by the Attorney Examiner in this proceeding granting The Timken Company's ("Timken") motion for protective order as to the redacted portions of the application and pages 1-3 and pages 6-48 of Appendix A. In the same Entry, the Attorney Examiner determined that pages 4 and 5 of Appendix A did not contain information that can be considered trade secrets and therefore denied Timken's protective order as to those two pages. Timken accepts the Attorney Examiner's rulings and is attaching copies of pages 4 and 5 of Appendix A for docketing in the public record for this proceeding.

Respectfully submitted
