Notes

I'm writing in regards to the all electric homeowners situation with First Energy. There's so many things I can say that is all bad for the homeowner.

First Energy will be the second largest electric company that had over 760 million dollars in profits last year and still can't explain in laymen terms why they want to more than double my rates and have to hire one of the largest law firms to confuse the matter. I think the whole situation stinks!!!!!!!!!!!!!!!!!!!!!!

Please docket the attached in the case number above.
