RE: National Brands, Inc. d/b/a Sharenet Communications Company - Cancellation of Authority to Provide Resold Long Distance Services and Withdrawal of Competitive Telecommunications Tariff

Dear Ms. Jenkins:

The original and ten (10) copies of this letter and the Telecommunications Application Form For Routine Proceedings are being submitted on behalf of National Brands, Inc. d/b/a Sharenet Communications Company to request immediate cancellation of its authority to provide telecommunications services within the state of Ohio, and withdrawal of its P.U.C.O. Tariff No. 1. The Company plans to cease all operations nationwide on or before June 1, 2011.

Sharenet offers alternative operator services, and has no presubscribed customers. However, an Application for Discontinuance is also filed with the FCC pursuant to 63.71 of the Commission Rules, which include notice to the hotel and pay telephone aggregators who facilitate the use of Sharenet services for transient end users. A copy of the FCC compliant notice is enclosed with this filing.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for this purpose.

If there are any questions regarding this filing, please do not hesitate to contact me at (407) 740-3002 or via email to cwrightman@tminc.com.

Thank you for your assistance in this matter.

Sincerely,

Connie Wightman
Consultant to National Brands, Inc. d/b/a Sharenet Communications Company

Subject: Operator Assisted Calling Services

This memorandum is to sincerely thank you for your business and your support over the years. As everyone is well aware, the erosion of call volumes has been severe over the last few years and continues to decline. As a result, it has simply reached the point that the Operator Services business is no longer a viable business for Sharenet. Accordingly, on or after June 1, 2011, Sharenet will cease processing all operator service calls, and will relinquish all state and federal authorities to operate as a long distance carrier, subject to all necessary regulatory approvals.

At any time prior to June 1, 2011, you may redirect your operator traffic to the presubscribed carrier or make arrangements to reprogram your pay telephones, dialers, or PBX systems to route 0-dialed to the operator service provider(s) of your choice. If you do not take this step prior to our official discontinuance, your operator service calls will route to your presubscribed carrier or to your designated back up carrier. Calls routed by dialers and PBX systems could be disrupted unless an alternative is specified.

Please feel free to contact me at 602-516-1207 if you have any questions or if I can be of help to you in any way. Again, thank you very much for your past support and your understanding.

Gary
