Docketing Case No.:11-2336-GA-AEC

**Notes:**

Calisolar, Inc. filed an application with the PUCO for approval of a "unique arrangement" between Calisolar and Ohio Edison, Co. for a rate reduction. We understand that approval of this agreement by the PUCO will be a key factor in Calisolar's decision to award their new USA plant location to Mansfield/Ontario, Ohio. As taxpayers and residents of the Mansfield/Ontario area, we STRONGLY urge the PUCO to approve this "unique arrangement". Our community has been economically devastated by the closure of the General Motors plant in Ontario. A positive decision by Calisolar to build their new plant in Mansfield/Ontario, Ohio, would be a good first step in restoring our local economy. THANK YOU!!
