**Re: Case No. 11-2383-EL-ECP**

Dear Docketing:

On April 15, 2011, The Dayton Power and Light Company filed its Environmental Control Plan in the above reference case. The Certificate of Service in that filing erroneously noted service was being made upon the Director of the Ohio Environmental Protection Agency via both electronic mail and Federal Express, while in fact service was made via Federal Express only. Please accept for filing the attached corrected Certificate of Service reflecting Federal Express service only, which DP&L requests be substituted for the original Certificate of Service attached to the Environmental Control Plan filed on April 15, 2011.

Very truly yours,
