COMMENT DESCRIPTION:

re: "AEP Ohio's proposed merger of Columbus Southern Power (CSP) and Ohio Power (OPCo) through a single set of rates for all AEP Ohio customers."

I am against this merger. The CSP system is a more expensive system to build and maintain. (Higher voltages, more underground cabling, more difficult R/W, etc.) OPCo should not have its rates increased to subsidize the metropolitan area of Columbus.

The OPCo rates should be kept separate.
