THE DAYTON POWER AND LIGHT COMPANY
FILING OF ERRATA PAGE

On April 29, 2011, The Dayton Power and Light Company filed a motion for a protective order with respect to an unredacted Financial, Management and Performance Audit of The Dayton Power and Light Company (Audit Report) that was being filed on that same date. The motion incorrectly identified the date of filing for the Audit Report as May 29, 2011, instead of April 29, 2011. Attached is a clean and red-lined version of an errata page to DP&L's motion correcting this error.

Respectfully submitted,
