THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Alternative Energy)
Portfolio Status Report of Dominion) Case No. 11-2470-EL-ACP
Retail, Inc.)

ENTRY

The attorney examiner finds:

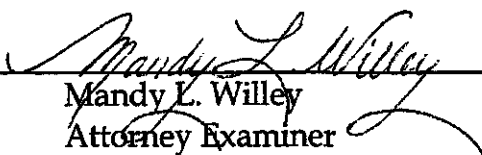

- (1) On April 15, 2011, Dominion Retail, Inc. (Dominion Retail), filed an application requesting that the Commission make a *force majeure* determination regarding Dominion Retail's compliance with the solar energy resources (SER) benchmark for 2010. Dominion Retail states that it was unable to meet its 2010 SER benchmark due to lack of availability of solar renewable energy credits (SRECs) originating in Ohio. Consequently, Dominion Retail requests that the Commission make a *force majeure* determination and reduce Dominion Retail's 2010 SER benchmark to the amount of SRECs actually acquired by Dominion Retail.
- (2) In order to thoroughly review Dominion Retail's application, the attorney examiner finds that the following procedural schedule should be established, pursuant to Rule 4901:1-40-06(A), Ohio Administrative Code:
 - (a) The deadline for the filing of comments on Dominion Retail's application shall be June 6, 2011.
 - (b) The deadline for the filing of reply comments shall be June 20, 2011.

It is, therefore,

ORDERED, That the procedural schedule set forth in finding (2) be adopted. It is, further,

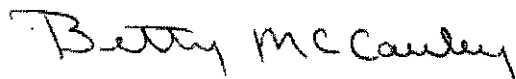

ORDERED, That a copy of this entry be served upon all parties of record.
