TARIFF FORMAT

Sheet Numbering. Sheet numbers appear in the upper right hand corner of the sheets. Sheets are numbered sequentially. From time to time new sheets may be added to the tariff. When a new sheet is added between existing sheets, a decimal is added to the preceding sheet number. For example, a new sheet added between sheets 5 and 6 would be numbered 5.1.

Sheet Revision Numbers. Revision numbers also appear in the upper right corner of sheets. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 4th Revised Sheet No. 24 cancels the 3rd Revised Sheet No. 24.

Paragraph Numbering Sequence. There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level, as shown by the following example:

2
2.1
2.1.1
2.1.1.A
2.1.1.A.1
2.1.1.A.1.(a)
2.1.1.A.1.(a).I
2.1.1.A.1.(a).I.(i)
2.1.1.A.1.(a).I.(i).(1)

Check Sheets. When a tariff filing is made with the Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross-reference to the current revision number. When new sheets are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current one on file with the Commission.

2.3 Liability (cont'd)

Notwithstanding anything to the contrary in this section, if Customer's service is interrupted and remains out of service for more than twenty-four (24) hours after the earlier of being reported to McLeodUSA or being found by McLeodUSA to be out of order, and if the interruption is not the result of a negligent or willful act by the Customer, a malfunction of Customer-owned equipment, McLeodUSA's inability to gain access to the Customer's premises, or causes beyond McLeodUSA's control as described in the first paragraph of this section, McLeodUSA will make appropriate adjustments upon request. Such adjustments, in the form of direct payments or bill credits, will be the proportionate part of the monthly charge for all services and facilities rendered inoperative during the interruption, beginning with the hour of the report to McLeodUSA, or discovery by McLeodUSA, of the interruption. A service interruption may include, among other events, lawful disconnections pursuant to Section 2.11 of this tariff and when a customer's service interrupted during a move to a new Customer premise.

The Customer shall be responsible for damages to McLeodUSA's facilities used in the provision of regulated services caused by the negligence or willful act of the Customer or those using McLeodUSA's service through the Customer. The Customer may not physically modify or intrude upon, rearrange, disconnect, remove, or attempt to repair any of McLeodUSA's facilities except upon written consent of McLeodUSA.

B. Leased or Owned Facilities

The Customer's obligation to McLeodUSA is the same whether the facilities involved are McLeodUSA's facilities or are facilities leased by McLeodUSA from another party. If McLeodUSA incurs expenses due to the Customer's actions that result in damage or impairment of McLeodUSA's owned or leased facilities, McLeodUSA will pass on to the Customer any and all expenses to repair McLeodUSA's facilities or that the owner imposes on McLeodUSA for leased facilities.

2.0 General Rules and Regulations (cont'd)

2.5 Contract for Service

Installation of certain services may require a contractual agreement between a Customer and McLeodUSA. The contractual agreement specifies the terms and conditions of service not covered by this tariff. The contract does not alter the obligations of McLeodUSA to Customers as described in this tariff. The term of the services shall commence and will remain in effect from the service activation date for the term of the contract. In the event McLeodUSA continues to provide service beyond the end of the initial term without an additional written agreement between the parties, then McLeodUSA shall continue to provide service to the Customer under the terms of the then applicable tariff and applicable terms of the expired contract under a month-to-month arrangement. McLeodUSA may choose to renew the contract for a period equal to its original term by giving the Customer notice of the proposed renewal. Except as restricted by Section 2.11.4, service may be refused, disconnected, or suspended for nonpayment of a bill if McLeodUSA has made a reasonable attempt to effect collection and:

- A. McLeodUSA has provided the Customer with ten (10) days' prior written notice with respect to an unpaid bill or twelve (12) days' written notice with respect to an unpaid new deposit.
- B. McLeodUSA is open, at minimum, one more hour and open the following day of the scheduled disconnection.

2.11 Service Refusal, Disconnection, and Suspension (cont'd)

2.11.4 Insufficient Reasons for Refusal, Suspension, or Discontinuance of Service

The following reasons are not sufficient cause for refusal, suspension, or discontinuance of service to a present or prospective Customer:

- A. Delinquency in payment for service by a previous occupant of the premises to be served, unless that occupant is a Customer of the same household as the customer.
- B. Failure to pay for unregulated services or equipment purchases.
- C. Failure to pay the bill of another Customer as guarantor thereof.
- D. Failure to pay for a different type or class of public utility service or 900, 960 or 976 calls disputed by the Customer. However, if a residential customer has requested that McLeodUSA remove the free 900 or 976 call blocking service, then that Customer shall be fully responsible for payment of all such calls regardless of who made the call from the Customer's telephone line.
- E. Failure to pay for information service not regulated by the Commission.
- F. Permitting another occupant of the premises access to the telephone utility service when that other occupant owed an uncollectible bill for service rendered at a different location.

2.11.5 Medical Emergency

Notwithstanding any other provision of this tariff, McLeodUSA will postpone the disconnection of service to a residential Customer for a reasonable time, not to exceed thirty (30) days, if the Customer produces verification from a physician or a public health or social services official stating that telephone service is essential due to an existing medical emergency of the Customer, a customer of the Customer's family, or any permanent resident of the premises where service is rendered. This written verification shall identify the medical emergency and specify the circumstances. Initial verification may be by telephone if written verification is forwarded to McLeodUSA within five (5) days.

2.11.6 Temporary Service

When McLeod renders temporary service to a Customer, the Customer may be required by McLeod to bear the entire cost of installing and removing the service facilities in excess of any salvage realized.

2.12 Cancellations and Deferrals of Service

When a Customer cancels or defers an order for service before the service is activated, a charge applies that will allow McLeodUSA to recover its unrecovered costs, including but not limited to outside vendor charges, engineering, labor, materials, and equipment. Charges apply as follows:

2.12.1 Cancellation

In a cancellation situation, the charge is equal to the unrecoverable costs incurred prior to the request for cancellation and the costs of removal, restoration, and disposal, if any, to comply with the cancellation. Those costs include, but are not limited to, costs of outside vendors, engineering, labor, nonrecoverable materials, and equipment expense.

2.12.2 Deferment of Start of Service

If a request for deferment of service is received by McLeodUSA prior to the date an order for equipment or service is placed with McLeodUSA's supplier, no charge shall apply. For deferments received by McLeodUSA subsequent to the date the order for equipment or service is placed with McLeodUSA's supplier, a monthly recurring charge based upon the costs incurred prior to the request for the deferment applies. This monthly rate shall be equal to the deferred investment multiplied by the monthly prime interest rate as announced by USBank plus recurring costs resulting directly from the deferral such as storage, taxes, etc., unless otherwise ordered by the Commission.

In addition, any extraordinary nonrecurring costs resulting from the deferral, such as additional engineering, labor, and transportation, shall be billed in total. Billing shall start at the beginning of the month of deferment and extend to the start of service. Charges shall not exceed the monthly rate that would have applied had the service been established. McLeodUSA will also charge the Customer who defers service any and all rates and charges incurred by McLeodUSA for any leased facilities for which McLeodUSA is held responsible. McLeodUSA will make a good faith effort to minimize those rates and charges whenever possible.

2.13 Information Service Access Blocking

Where facilities are available, McLeodUSA shall institute call blocking to all "900", "960" and "976" prefix numbers, without charge for the first block subject to applicable law. If a customer chooses to eliminate the free call blocking service for these types of calls, the Customer shall be fully responsible for all such charges regardless of who made such calls from the Customer's telephone line. McLeodUSA will comply with all applicable rules of the Commission concerning such blocking.

3.0 Description of Services Offered

3.1 Local Service

3.1.1 Nature of Service

Local Service is a service that allows customers to originate non-toll local calls at locations within the service areas in which McLeodUSA has been approved for certification for termination within the local calling area (including any applicable EAS areas) of those locations. Subject to service availability and the package selection by the customer, Local Service may include services in addition to those required for completion of non-toll local calls (including services which may not be subject to regulation under this tariff) which are purchased as part of a bundled package.

3.1.2 Availability

McLeodUSA offers local service in the areas served by AT&T and in which McLeodUSA has available required network facilities or is able to lease required network facilities to enable the offering of service. Some features may not be available in all areas, or may slightly vary between service areas contingent on network availability or configuration. McLeodUSA will provide the most feature rich version of a feature in the bundled Local Service package available in a given market depending on network availability or configuration.

(T)

3.1.3 Local Service Packages

The standard elements of local line packages consist of local dial tone and unlimited local calling unless otherwise noted in a Service specific description. Mandatory extended area service ('EAS') is provided where applicable for the prices set forth in the Rate Tables. Customers with multiple lines at a single location may purchase different Packages for each telephone line at a particular location. A Local Line Price Adjustment ("LLPA") is applied to recover the increased costs (rate increases to specific portions of Unbundled Network Elements (UNE's) purchased from suppliers) of providing local telecommunications service.

Changes are accomplished by remotely calling an access number, entering the appropriate line and PIN information when prompted to do so, and making any desired changes.

Speed Calling

Permits placing calls to 8 or 30 telephone numbers dialing an abbreviated code.

Three-Way Calling

The ability to add a third line to an established conversation.

Toll Restriction

Toll Restriction provides for exchange access lines to be restricted from dialing billable toll calls. Attempted violation of the restrictions are routed to an announcement.

Customer Notice

Notice of Detariffing

Beginning on May 16, 2011, the prices, service descriptions, and the terms and conditions for services other than local flat rate service that you are provided by McLeodUSA, a PAETEC Company will no longer be on file at the Public Utilities Commission of Ohio (PUCO).

This modification does not automatically result in a change in the prices, terms, or conditions of those services to which you currently subscribe. McLeodUSA, a PAETEC Company must still provide a customer notice at least fifteen days in advance of rate increases, changes in terms and conditions and discontinuance of existing services. Additionally, you will be able to view the company's future service offerings in a price list online at <http://www.paetec.com/about-us/notice/tariffs/Ohio/> or you can request a copy of this information by contacting us at the address and phone number listed on your invoice.

Since these services will no longer be on file with the Commission, this means that the agreement reached between the customer and the company will control new services or changes in service. For any new services or changes in service, it will be important that you carefully review and confirm the price, terms and conditions.

If you have any questions about this matter, please call McLeodUSA, a PAETEC Company at the toll free number listed on your invoice, or visit us at www.paetec.com. You may also visit the consumer information page on the PUCO's website at puco.ohio.gov for further information.
