Staff Members of The Ohio Power Siting Board,

Please allow this letter to serve as my request to file as an intervener in the Blackfork Wind Energy Project case number 10-2865-EL-BGN. My name is John Warrington. I have resided in my current home since 1962 at: 7040 SR 96 Tiro Ohio 44887. I have declined the contract offered to me by Gary Energetics while two of my next door neighbors have signed the wind lease agreement. From the turbine placement map found in the project application I will have turbines approximately 3000 ft from my home. Phase 2 as suggested by the developer would likely surround my home to the north and west. A met tower is located in the field adjacent to my property line.

I will agree to be corresponded with by email.

Thank you,

John Warrington
