Case No. 11-\_\_\_\_-GA-RDR

**Suburban Natural Gas Company's Motion for Extension of Time In Which to File  
Uncollectible Expense Rider Report**

Suburban Natural Gas Company ("Suburban") hereby requests a ninety day extension of time, until August 30, 2011, in which to file an uncollectible expense rider report. Suburban currently has pending an application to abandon service to certain villages within its service territory, the outcome of which may affect Suburban's uncollectible expense rider report and whether Suburban files an application for an adjustment to its uncollectible expense rider. See Case No. 08-947-GA-ABN; *see also* Suburban Tariff, First Revised Sheet No. 2A (requiring application to PUCO to request approval of change to uncollectible expense rider if more than plus or minus ten percent is needed to adjust for prior period over or under-collections). Suburban requests this extension so that it may factor the impact of the abandonment case into its uncollectible expense rider report and whether an application for an adjustment to its uncollectible expense rider is necessary.
