

BEFORE

THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of)
Columbia Gas of Ohio, Inc. to Revise its)
Tariffs Relating to its Full Requirements) Case No. 10-3122-GA-ATA
Cooperative Transportation Service.)

ENTRY

The attorney examiner finds:

- (1) On December 23, 2010, Columbia Gas of Ohio, Inc. (Columbia) filed an application to revise the section of its tariff relating to its Full Requirements Cooperative Transportation Service.
- (2) On January 27, 2011, Knox Energy Cooperative Association (Knox) filed a motion that, *inter alia*, included a request to intervene in this matter. In support of its motion to intervene, Knox states that it is a nonprofit natural gas energy cooperative that serves natural gas customers that are not being served by a regulated utility. If the application filed by Columbia is approved, Knox submits that the proposed, revised tariffs would require it to pay additional costs and increase the rates to be paid to Columbia. Thus, Knox argues that it and its customers have a direct and substantial interest in this proceeding. Knox also offers that there are no other parties to this proceeding that represent the interests of Knox or the cooperative's customers. No one filed a memorandum contra the motion to intervene filed by Knox. The attorney examiner finds that the motion to intervene filed by Knox is reasonable and should be granted.
- (3) At this time, the attorney examiner finds that the following procedural schedule and process should be established:
 - (a) June 10, 2011 - Deadline for Columbia to serve copies of the application filed on December 23, 2010, and this entry on all entities that would be subject to the proposed Full Requirements Cooperative Transportation Service tariff.
 - (b) June 20, 2011 - Deadline for interested entities to file motions to intervene.

- (c) June 24, 2011 - Deadline for the filing of memoranda contra any motions to intervene.
- (d) June 29, 2011 - Deadline for the filing of replies to memoranda contra any motions to intervene.
- (e) In light of the time frames established for the filing of the pleadings set forth in finding (3)(b) through (d) above, service of such pleadings shall be provided via hand delivery, facsimile, or e-mail.
- (f) July 11, 2011 - A conference with the parties in the case will be held at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 12th Floor, Room 1247, Columbus, Ohio 43215-3793.

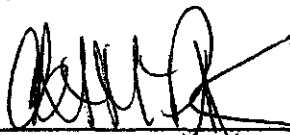

It is, therefore,

ORDERED, That the motion to intervene filed by Knox be granted. It is, further,

ORDERED, That the procedural schedule and process set forth in finding (3) be adhered to by the parties. It is, further,

ORDERED, That a copy of this entry be served upon each party of record.
