**Re: In the Matter of the Application of Vectren Retail LLC d/b/a Vectren Source
for Certification as a Competitive Retail Electric Service Provider, PUCO
Case No. 11-1078-EL-CRS**

Dear Secretary Jenkins:

On February 28, 2011, Vectren Retail LLC d/b/a Vectren Source ("Vectren Source") filed an Application with the Public Utilities Commission of Ohio for certification as a competitive retail electric service ("CRES") provider. In its Application, Vectren Source indicated in Exhibit D-4 (FERC Power Marketer License Number) that it was in the process of applying for market-based rate authority from the Federal Energy Regulatory Commission ("FERC") and that it would provide its power marketer license number promptly after obtaining its power marketer license number.

On May 10, 2011, FERC approved Vectren Source's Application for market-based rate authority. Vectren Source's FERC power marketer license number is ER11-2997.

Please do not hesitate to contact me at 812.457.3326 or jmclark@vectren.com if you have any questions or concerns regarding this notice.

Sincerely,

Joseph M. Clark
