MOTION FOR CONTINUANCE

The Staff of the Public Utilities Commission of Ohio (Staff) respectfully moves for a continuance of the hearing currently scheduled for June 13, 2011. After discussions between the parties, the parties have reached an agreement in principle. However, the parties require additional time to finalize a written agreement. Respondent does not object to this continuance. Staff further requests expedited treatment of this motion and Respondent does not object. Staff also requests that the hearing remain open in the event the matter is not resolved.

Respectfully submitted,
