MISCELLANEOUS RATES AND CHARGES

1. Tele-Tone Touch Calling

a. General

Tele-Tone Touch Calling Service provides for the origination of telephone calls through the use of telephone instruments equipped with push buttons, in place of the standard rotary dial telephone instruments, and special central office equipment.

b. Rates

The monthly rate for Tele-Touch Tone Calling Service is in addition to all other applicable local exchange rates and charges for the facilities and class of service furnished.

Each exchange access line \$1.50/month

c. Conditions

- (1) Tele-Tone Touch Calling Service is furnished subject to the availability of the central office facilities.
- (2) Tele-Tone Touch Calling Service is offered only to one-party access line customers.
- (3) Telephones equipped for Tele-Tone Touch calling will be provided on a detariffed basis.

2. Calling Number Delivery Blocking (Per Call Blocking)

Allows the customer to prevent the disclosure of his telephone number on a per call basis to a called party by dialing \*67 from a touch-tone phone or 1167 from a rotary dial phone. This action must be repeated each time a call is made to prevent the disclosure of the calling party's telephone number. If the called party has a display device, a privacy indication will appear instead of the calling party's telephone number. This service will be provided on a universal basis, where technically possible, at no monthly charge.

All public and semi-public payphones in the Vaughnsville Telephone Company's service area will be equipped with Per Call Blocking.

GENERAL RULES AND REGULATIONS

A. APPLICATION

The rules and regulations specified herein apply to the provisions of BLES as defined in Section 1, Sheet No. 1 herein.

In the event of a conflict between any rates, rules, regulation or provision contained in these General Rules and Regulations and any rate, rule regulation or provision contained in the other section of this BLES Tariff, the rate, rule, regulation or provision contained in the specific section of this Tariff shall prevail.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

The Telephone Company's obligation to furnish exchange service is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights in the construction and maintenance of the necessary pole lines, circuits and equipment.

2. Transmitting Messages

The Telephone Company does not transmit messages but offers the use of its facilities for communications between patrons. If because of transmission difficulties, the operator, in order to accommodate the subscriber, repeats messages, he or she is deemed to be acting as the agent of the persons involved and no liability shall attach to the Telephone Company because of any errors made by the operator or misunderstanding that may arise between subscribers because of the errors.

GENERAL RULES AND REGULATIONS (Continued)

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

3. Use of Connecting Company Lines

When suitable arrangements can be made, lines of other telephone companies may be used in establishing wire connections to points not reached by this Company's lines. In establishing connections with the lines of other companies, the Telephone Company is not responsible for any action of the Connecting Company.

4. Defacement of Premises

The Telephone Company shall exercise due care in connection with all work done on subscriber's premises. No liability shall attach to the Telephone Company by reason of any defacement or damage to the subscriber's premises resulting from the existence of the Telephone Company's instruments, apparatus and associated wiring on such premises, or by the installation or removal thereof, unless such defacement or damage is the result of the sole negligence of the Telephone Company.

C. USE OF SERVICE AND FACILITIES

1. Ownership and Use of Equipment

Equipment and line, other than inside wire, furnished by the Telephone Company on the premises of a subscriber are the property of the Telephone Company. The Company, its agents, or its employees shall have the right to enter upon a customer's (subscriber's) premises during normal working hours only as may be required to make repairs to its equipment or to otherwise remove the source of emergency conditions that are, or that the Company has reason to expect soon will be endangering the safety, health, or welfare of Company employees or of other persons, or the safety of component parts of the Company's system or equipment.

If visitation to the customer's premises is sought for any other purpose, such visitation shall preferably be prearranged by telephone; however, if such prearrangement is not feasible, the Company's agent, or employee seeking entrance to the subscriber's premises shall approach a responsible adult member of the household, shall identify himself to such person's satisfaction, and shall state the reason for his proposed visitation. Entrance shall not be gained by force or subterfuge or by approach to a child or other irresponsible person. The Company shall be responsible for such damage to the subscriber's property arising from such visitation whether negligently, wilfully, or inadvertently caused.

GENERAL RULES AND REGULATIONS (Continued)

E. INITIAL CONTRACT PERIODS AND TERMINATION OF SERVICE

1. INITIAL CONTRACT PERIODS

- a. Except as hereinafter provided, the initial (or minimum) contract period for all services and facilities is one month at the same location.
- b. The length of contract period for directory listings, and where the listing actually appears in the directory, is the directory period. The directory period is from the day on which the directory is first distributed to the subscribers to the day the succeeding directory is first distributed to subscribers.
- c. The Telephone Company may require a contract period longer than one month at the same location in connection with special (non-standard) types or arrangements of equipment or for unusual construction necessary to meet special demands, and involving extra costs.
