Re: Case No. 06-467-GA-ATR: *In the Matter of the Joint Application of Orwell-Trumbull Pipeline Company and Orwell Natural Gas Company for Approval of an Operating Agreement/Notice of Intent to Terminate Agreement*

Dear Secretary McCauley:

In its Finding and Order entered on May 26, 2006 approving the entry into the above-referenced Operations Agreement under which Orwell Natural Gas Company provides technical and financial services to Orwell-Trumbull Pipeline Company, the Commission required that it be notified at least 30 days in advance of a termination of the Agreement.

Please be advised that the parties to this Operations Agreement have mutually agreed to terminate it effective July 11, 2011. This termination is based on the fact that Orwell-Trumbull Pipeline Company now possesses the technical, financial and operational expertise to perform the functions provided by Orwell Natural Gas Company under the Agreement.

Very truly yours,

Andrew J. Sonderman

Counsel for Orwell-Trumbull Pipeline Company and
Orwell Natural Gas Company
