MEMORANDUM IN SUPPORT

The parties have been engaged in settlement discussions over several weeks. Staff believes that process is furthered by the parties spending their time focusing on settlement rather than litigation and, accordingly, Staff believes the brief extension will aid that process. Additionally, granting the brief extension will not prejudice any party. After the extension, a full five days exist between the filing of Staff and Intervenor testimony and the hearing beginning on July 6. Staff believes that period does not prejudice any of the parties. For these reasons, Staff requests this motion be granted.

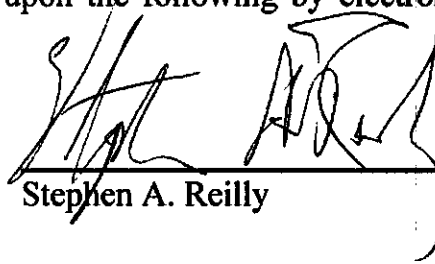

Respectfully submitted,

Stephen A. Reilly
