B. Service Descriptions (Continued)

2. Emergency Services (Enhanced 911): Allows Customers to reach appropriate emergency services including police, fire and medical services. Enhanced 911 has the ability to selectively route an emergency call to the primary E911 provider so that it reaches the correct emergency service located closest to the caller. In addition, the Customer's address and telephone information will be displayed to the primary E911 provider for display at the Public Service Answering Point (PSAP). Charges for Enhanced 9-1-1 will be a pass through of the charge imposed by the ILEC.
