RE: 1. Application to Amend Hog Creek Wind Farm I (Case # 09-277-EL-BGN)  
2. Application to Amend Hog Creek Wind Farm II (Case # 10-0654-EL-BGN)  
3. Revision to Project Boundary Hog Creek Wind Farm I (Case # 11-757-EL-BGA)

Dear Ms. Jenkins:

The Ohio Farm Bureau has received and reviewed the Application to Amend of Environmental Compatibility and Public Need for Hog Creek Wind Farm I and II by including Vestas V100 and GE 1.6-100 turbines in the list of available turbines for the projects, dated February 9, 2011, and the Application to Amend the project boundary in the north central area, dated April 26, 2011. This document is to advise the Power Siting Board that the Ohio Farm Bureau does not object to either application.

If there are any questions, please do not hesitate to contact me at 614-309-8992.

Sincerely,

Larry R. Gearhardt  
Chief Legal Counsel for the Ohio farm Bureau
