Dear Mr. and Mrs. Ludwig:

Thank you for your input regarding Hardin Wind's proposal of a 300 MW wind farm consisting of up to 200 wind turbines in Hardin County, Ohio.

David Mustine

Ohio Department of Natural Resources

On March 22, 2010, the applicant received a certificate for the siting, construction, operation, maintenance, and decommissioning of their proposed wind-powered electric generation facility. However, the applicant's June 13, 2011 amendment filing, Case No. 11-3446-EL-BGA, proposing a more efficient wind turbine, is currently under staff investigation.
