**RE: Meldahl Transmission Line and Substation Project
Service of Complete Applications to Public Officials
Case Nos. 10-2439-EL-BSB and 10-2440-EL-BTX**

Dear Mr. Mezack:

The City of Hamilton and American Municipal Power, Inc. (collectively, "Applicants") have proposed to construct an electric transmission line and substation in Clermont County, Ohio, to be known as the Meldahl Hydroelectric Transmission Line and Substation Project. On May 5, 2011, Applicants submitted siting applications to the State of Ohio Power Siting Board ("OPSB") for the Meldahl Hydroelectric Transmission Line and Substation Project. In accordance with OAC 4906-5-05(A)(1), OPSB certified these applications as complete on July 1, 2011.

Pursuant to OAC 4906-5-06, we are sending you one copy of each of the certified applications. As required by the OPSB, the applications include information on justification of the need, technical and financial data, and a socioeconomic and ecological analysis of the project.

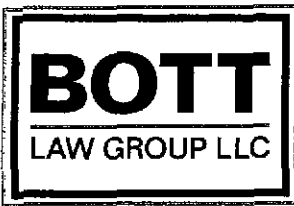

We ask that this application be made available to the general public. Copies of the applications have been distributed to other local government officials and the Clermont County Public Library.

For additional details about the OPSB and this project, please refer to the OPSB website at <http://www.opsb.ohio.gov>. To view electronic versions of these applications, search under current cases for Case Nos. 10-2439-EL-BSB (substation application) or 10-2440-EL-BTX (transmission line application). If you wish to intervene in the proceeding for the applications, a notice of intervention must be filed with the OPSB within thirty days of your receipt of the applications.

Sincerely,

A handwritten signature in black ink, appearing to read "April R. Bott".
