RE: Case # 11-3446-EL-BGA

Ms. Wissman,

I am submitting this letter to you to register my support for the Hardin Wind Energy project in Hardin County. I support renewable energy and this project not only helps the citizens of Hardin County but the citizens of Ohio as well, as we strive for a cleaner and safer environment.

Hardin Wind Energy has been a good community member and has followed through with every commitment they have made to the residents of the county. Hardin County needs the economic stimulus that this project will provide.

I support the Hardin Wind Energy project.

Respectfully,
