MEMORANDUM IN SUPPORT OF MOTION FOR PROTECTIVE ORDER

Frontier North Inc. requests that certain information described below and used in support of its Application in this case be considered as confidential and/or proprietary and be protected from public disclosure. In support of its Application herein, Frontier North, Inc. is providing confidential information regarding the number of access lines and the number of customers receiving Lifeline service in Exhibit 1 in Case No. 11-4515-TP-ATA, Frontier North's Application for a Determination Pursuant to Ohio Revised Code 4927.13 (D) of the Ohio Revised Code. Division (D) of Rule 4901-1-24 provides that the Commission or certain designated employees may issue an order which is necessary to protect the confidentiality of information contained in documents filed with the Commission's Docketing Division to the extent that state or federal law prohibits the release of the information and where non-disclosure of the information is not inconsistent with the purposes of Title 49 of the Revised Code. As set forth herein, the information described below represents confidential business information and, therefore, should be protected from disclosure.

The confidential information consists of: (1) the total number of access lines; and (2) the total number of Lifeline customers as well as the resulting revenue losses attributable to Lifeline discounts. Frontier does not normally disclose the preceding information and considers and has treated the information as a trade secret. In the ordinary course of business this information is stamped confidential, is treated as proprietary and confidential by Frontier employees, and is not disclosed to anyone except in a Commission proceeding or pursuant to a staff data request.

The Commission has facilitated the protection of trade secrets in Ohio Administrative Code Rule § 4901-1-24 (A)(7). Therefore, Frontier requests that the Commission accord this information proprietary and confidential treatment and not release it to the public.

For these reasons, Frontier North, Inc. requests that the Commission enter a protective order, allowing Frontier North, Inc. to file the proprietary data supporting its Application in this matter under seal, affording the maximum confidentiality protection available.

Respectfully submitted,

FRONTIER NORTH INC.
