THE PUBLIC UTILITIES COMMISSION OF OHIO

In the Matter of the Application of)
Calisolar, Inc. for Approval of a Unique) Case No. 11-2336-EL-AEC
Arrangement for Calisolar Inc.'s Ontario,)
Ohio Facility.)

ENTRY

The Commission finds:

- (1) On April 8, 2011, Calisolar filed an application requesting that the Commission approve a unique arrangement for electric service with the Ohio Edison Company (Ohio Edison) to facilitate Calisolar's efforts to convert the former General Motors stamping plant located in Ontario, Ohio, into a solar manufacturing complex. Also on April 8, 2011, Calisolar filed a motion for a protective order.
- (2) On April 28, 2011, OE, The Cleveland Electric Illuminating Company, and The Toledo Edison Company filed a motion to intervene. By entry, the attorney examiner granted the motion on June 3, 2011.
- (3) On May 31, 2011, OE, Calisolar, and Staff filed a stipulation and recommendation (stipulation) and requested an expedited decision.
- (4) On June 14, 2011, an evidentiary hearing was held before the Commission. At the hearing, the stipulation was admitted into the record.
- (5) On July 6, 2011, Calisolar filed a notice to withdraw its application without prejudice. The Commission finds that Calisolar's request to withdraw its application for a unique arrangement should be granted and this case should be closed of record.

It is, therefore,

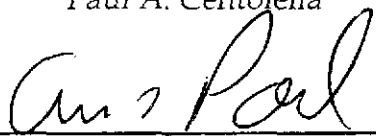

ORDERED, That Calisolar's request to withdraw its application without prejudice be granted and this case be closed of record. It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
