251(c)(2) of the Communications Act, as :
Amended, for the transmission and Routing :
of tw telecom’s Facilities-Based VoIP :
Services and IP-in-the-Middle Voice :
Services. :

**MOTION *INSTANTER* TO FILE COMMENTS OUT OF TIME
SUBMITTED ON BEHALF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

The Public Utilities Commission of Ohio (PUCO) respectfully requests that the Federal Communications Commission accept the attached comments for filing out of time in this docket.

The PUCO approves actions in cases before this Commission through public meetings which occur only weekly. While the attached comments were on the agenda for PUCO approval at their scheduled August 10, 2011 public meeting, unforeseen circumstances forced the cancellation of that meeting. The next meeting of the PUCO Commissioners (and thus opportunity to obtain PUCO approval to file these comments) is scheduled for August 17, 2011, two days after the comment date in this docket. The PUCO

believes that your acceptance of these comments into the record two days after the due date will not prejudice any party nor burden or disrupt the development of the case.

Respectfully submitted,

/s/ William L. Wright
