**RE: Combined Public Communications, Inc.
Case No. 10-1010-TP-ORD
Order issued August 17, 2011**

Dear Ms. Jenkins:

This letter is submitted in response to the Commission's order issued August 17, 2011 in the above referenced case. That order cited a number of companies for failure to file detariffing applications. As an Inmate Operator Service Provider, Combined Public Communications, Inc. ("CPC") believes that it is not eligible to detariff per SB162 and Rule 4901:1-6 (A)(1).

Therefore, unless specifically instructed otherwise by the Commission, CPC believes that no such detariffing application should be filed.

Any questions you may have regarding this filing may be directed to my attention at (407) 740-3004 or via email to Rnorton@tminc.com.

Sincerely,

Robin Norton
Consultant to Combined Public Communications, Inc.
