BEFORE THE OHIO POWER SITING BOARD

Please allow and certify the following discovery questions with regard to case number 10-2865-EL-BGN. Served upon Black Fork Wind Energy LLC, Element Power LLC, Scott Hawken, and attorneys for the same, Michael J. Settineri and Howard M. Petricov.

- 1) What study or studies does Element Power use to determine the effect that the proposed wind energy project will have upon residential property values?
- 2) What impact does Element Power predict that the 91 turbine project will have upon the real estate values of non-participating homeowners within the project area.
- 3) Will Element Power support the introduction of a Property Value Guarantee agreement into the siting/mitigation approval process? If not, why?
