TO: Richard M. Bulgrin, Attorney Examiner

Mr. Bulgrin:

I received your ENTRY dated August 12, 2011. On October 7, 2009, I Carl Lukehart did file a complaint against the Ohio Power Company. The reason was to try to save about 400 trees in an Ohio state=identified forested Wet Land (W-19) Allen I75 Project.

I would suggest that the Ohio Power Company work in conjunction with the Allen I75 Project. Benefits:

1. Preserve the Little Ottawa River Flood Plain Area
2. Enhance the Interstate 75 corridor
3. Saves the trees
4. Shows "Good Neighbors"

I really believe, through my research, that these trees will die before they reach a height that will violate the National Electrical Codes or interfere with the electric transmission lines.

Public Utilities Commission:

1. Feb. 27, 2011 a flood damaged all of my files concerning the complaint I filed Oct. 7, 2009.
2. August 26, 2011, I sold my real estate to "The East Ohio Gas Co.", 1201 East 55th Street, Cleveland, OH 44103.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business. technician le Date Processed SEP 02 2011

Therefore, I wish to withdraw my request for a hearing before the commission set for September 28, 2011 at 10:00 a.m. Thank you for your time in this matter. Save the Trees!!
