Case # 10-2865-EL-BGN

Dear Ohio Power Siting Board,

Thank you for allowing me to be an intervener in this case. I am still questioning the following items in your staff report.

- Page # 6 Wind Turbins - which size turbins used for flicker report
- Page # 18, item 1- 3 kinds of wind turbins
- Page # 18, item 2 -10 m0nh construction timeframe
- Page # 19, item 10 -historic properties
- Page # 20, item 14 -road use by trucks
- Page # 24, item 22 - we have 3 wells on our property
- Page # 25, item 26 - noise impacts
- Page # 25, item 31 -use of tv antenna
- Page # 26, item 37 - funds for removing wind farm
- Page # 27, Site Selection -community acceptance
- Page # 29, Aesthetics - residence seeing turbins
- Page # 32, Geology -changing locations
- Page # 33, Roads and Bridges -impact to local roads
- Page # 34, Operational Noise - amount of noise
- Page # 35, Shadow Flicker - how much to much
- Page # 37, Local and Long Range Radar Interference - third party should complete a Baseline
- Page # 38, Pipeline Protection - more gas lines being added now
- Page # 38, Decommissioning - upgrading older turbins
- Page # 47, Public Notice - Crestline Public Library

Thank you,
Catherine Price
