Case # 10-2865-EL-BGN

Dear Ohio Power Siting Board,

I would like to thank you for allowing me to be an intervener. I feel that there is conflict of interest in this case.

#1 individuals who have signed contracts that are suppose to be representing my rights

#2 how was the lawyer picked who was appointed to answer contract signers questions

#3 how was the title and survey company chosen

I would also like to address the problems I have had on my property since the land contracts have been signed.

Thank you,
Alan Price
