The liability of the Company for losses or damages of any kind arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission, or failure or defects in any facility furnished by the Company, occurring in the course of furnishing 211 Service, or of the Company in failing to maintain proper standards of maintenance and operation or to exercise reasonable supervision, shall in no event exceed an amount equivalent to the proportionate charge to the Approved Information and Referral Service Provider for the 211 Service and local exchange services for the period of service during which such mistake, omission, interruption, delay, error or defect in transmission or defect or failure in facilities occurs.
2. The Company is not liable for losses or damages caused by the negligence of the Approved Information and Referral Service Provider.
3. The Company's entire liability to any person for interruption or failure of the 211 Service is limited to the terms set forth in this section and other sections of this Tariff.

6. Other Terms and Conditions

1. The 211 Service for Information and Referral Service (211 Service) is a locally assigned three digit abbreviated dialing code provided to an Approved Information and Referral Service Provider for use in making available community information and referral services to the public by way of voice grade facilities. The 211 abbreviated dialing code is available to the Approved Information and Referral Service Provider as a tariffed, local calling area based service (the "211 Service").
2. The 211 Service allows a Company subscriber to access an Approved Information and Referral Service Provider call center by dialing only the 211 abbreviated dialing code. Subject to other terms and conditions of this Tariff, Company subscribers shall be able to make and the Approved Information and Referral Service Provider shall be able to receive calls using the 211 Service as part of their local exchange services. The 211 Service is supplemental to and is not a replacement for either party's local exchange service.
3. All 211 abbreviated dialing code calls must be local in nature and must not result in any Expanded Local Calling Area (ELCA), intraLATA toll, interLATA long distance or pay-per-call charges to Company subscribers.
4. The 211 Service is not available for the following classes of service: inmate service, 1+ and 0+ calling, 0- operator assisted calling and 101XXXX calling. The 211 Service is otherwise available wherever local service is available.

2. When the Approved Information and Referral Service Provider applies for 211 Service in a Company local exchange, the Approved Information and Referral Service Provider must supply the Company with a seven or ten digit telephone number that terminates within the Company local exchange's local calling area. The Company will translate the 211 digits into the telephone number provided by the Approved Information and Referral Service provider
